Between Civil War & Civil Rights:

How the South—or White Supremacy?—Won the War

Democracy's Denial

The Ballad of Robert Charles

White Protestant Nation

Rosewood Reborn

Lynching's End?

American As Apple Pie: How Terrorism Lost

Listening Between the Lines' Principles

- “a fact is a sensation in the absence of desire”
- Finding the roots of present problems in conflicts of the past
- Experience as the common human denominator
- audio as evocative medium:
 - Seek out the neglected/silenced experiences/testimonies
 - balancing perspectives;
 - Debate interpretations and TRUST THE LISTENER
 - Working across cultural formats:
 - Translate that active cognitive processing into active participation
